Subject: David Larsen's Contact information at REI

David and others at TetraTech,

Here is the contact information for Dave Larsen at REI. REI is the owner/operator's cleanup contractor/agent. Dave did some research checking into the available options of WWT plants that might accommodate water from the Tower Standard site.

Chris Saari at WDNR is contacting David to let him know to expect your call. Please contact him as soon as you are available to do so.

Thanks,

Sherry
